

# Generosity Activity

## A GENEROUS HEART (Activity)

This craft is to be a constant reminder to children of ways they can be generous. When the heart is completed, place or hang it in the classroom.

- White Poster Board
- Markers or crayons
- Pens or pencils

Fold the poster board in thirds, and trace a heart pattern on top of the poster, making sure the edges overlap the folds. Cut the heart out, being careful not to cut through the folds on the edges.

Once the heart is cut out, write on the front "A Generous Heart," and decorate. Unfold the heart into thirds and write on the first heart, "Ways I Can Be Generous"; on the second heart, "Ways I Have Been Generous"; and on the third, "Generous Words I Can Say."

With the children's participation, write on each heart answers to the headings above. On the back of the heart, write, "I Will Be Generous!" and have the children sign it as a commitment to be generous.
